Education

Davao Doctors College

(Senior High School)

2017 - 2019

Jose Maria College, Inc.

Bachelor of Science in Information Technology

2022 - Present

Certificates

Certificate of Course Completion

Trisha Ganza

has successfully achieved student level credential for completing the Network Addressing and Basic Troubleshooting course.

The student was able to proficiently:

- Explain how physical layer protocols, services, and network media support communications across data networks.
- Explain how media access control in the data link layer supports communication across physical and logical networks.
- Explain how routers use network layer protocols and services to enable end-to-end connectivity.
- Implement an IPv6 addressing scheme.
- Describe Cisco routers and switches.
- Troubleshoot basic network connectivity issues.
